#### Course Description

This training will instruct participants on the use of KYEM's Damage Assessment "Survey 123" App for field collection of damages relating to Public Assistance, Individual Assistance, and Small Business programs. Participants will learn how to:

- 1 - Download the Survey 123 App
- 2 - Download a KYEM Damage Assessment Survey
- 3 - Perform 3 Damage Assessments using the application
- 4 - View the Damage Assessments on a map
- 5 - Run a report from the Damage Assessment map.

#### Student Criteria

This course is open to all Emergency Management personnel, Damage Assessment Teams, EOC Staff or any persons who are responsible for entering data.

#### Special Notes

Each student must bring a tablet, smartphone and/or a laptop that can access wireless internet. The host agency does not have extra devices. **A minimum of 15** advance student registrations are required and must be received **by June 1<sup>st</sup>, 2022**. You are considered accepted as a student in this class upon receipt of your application by this office so you will not receive a letter acknowledging that acceptance. Meals, lodging, and travel are the responsibility of the student and will **NOT** be reimbursed by KYEM.

#### Registration

Registration application for the course can be completed using the following link: <https://kyem.ky.gov/training> and click on register. It is important that you register using proper name as you want it to appear on your certificate. Students will be notified if the course is cancelled. For this reason, it is imperative that you provide accurate email/contact information.
